Beating the Christmas Holiday Lull

The MUMblers have helped compile some ideas of things to do between Christmas and New Year.

- **Repurpose Christmas Cards** The kids will love cutting up the Christmas cards, you could use some pinking shears. Extra bonus free gift tags for next year!
- **Get to the Sales** I know this can be a parent's worst nightmare but you might be able to bag some Christmas craft /decoration bargains for next year I'll be looking for a reindeer light for outside!
- **Go for walks** Collect items (leaves, pine cones etc) that you can use for indoor crafts if the weather turns. Check out our list of free places to go on our website.
- **Play games** No doubt your kids have lots of games you can play as a family. I think I'm going to ban Paw Patrol in our house for the week!
- **Make things** Get out those creative sets that are shoved out of the way because they are messy and take too much time. I'll have more time to spend making things and tidying up after!
- **Local Events** For information on local family friendly events check out our events calendar on the website. If you have an event that we haven't listed, email us.

Mumbler Update look out for my column in **TITO** doorstep magazines in January!
